Asian Paints Shade Card 2026

For Contemporary & Modern Homes

A Modern Colour Story for Indian Homes

CREAMY WHITES

SOFT NEUTRALS

Designed to perform across light conditions
and home styles

GREENS & MUTED BLUES

WARM EARTHS

MODERN GREYS

CREAMY WHITES

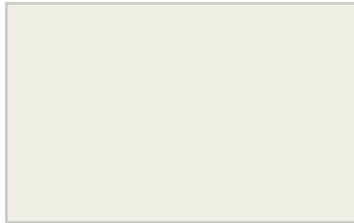

Off Whites

Foundation for maximising natural light and creating airy spaces

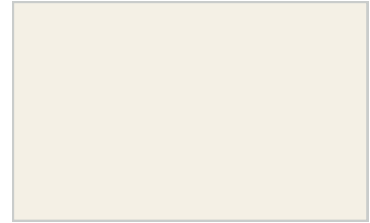

Cream Pie

Colour Code : L152

Morning Glory

Colour Code : 0765

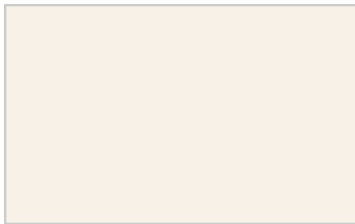

Love Song

Colour Code : L144

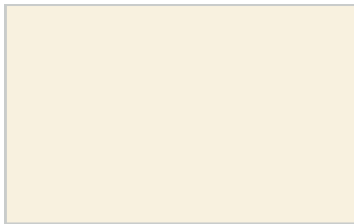

Warm Cream Whites

Softens bright whites while maintaining luminosity in living rooms and kitchens

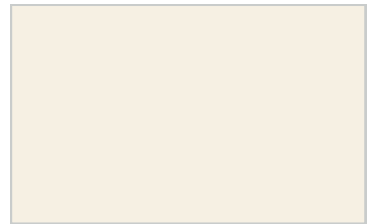

Sonnet

Colour Code : L146

Sugared Nut

Colour Code : L126

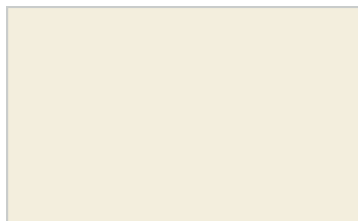

Pressed Linen

Colour Code : L150

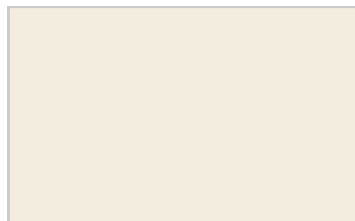

Soft Ivory

Gentle alternative to pure white for bedrooms

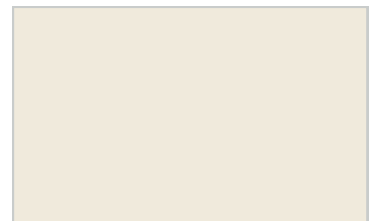

Pure Ivory

Colour Code : L124

Pearl Star

Colour Code : L103

Egg Shell

Colour Code : L149

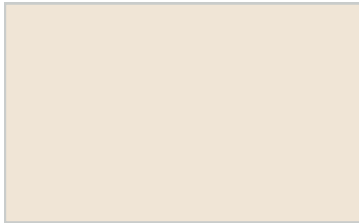

Consultant Tip

Pair creamy whites with natural wood and soft, warm fabrics to keep spaces bright yet grounded and comfortably lived-in

SOFT NEUTRALS

Warm Beige

Grounded neutrals for open-plan homes, passages, and living spaces with prominent furniture

Macadamia

Colour Code : 5184

Beige-N

Colour Code : 0302

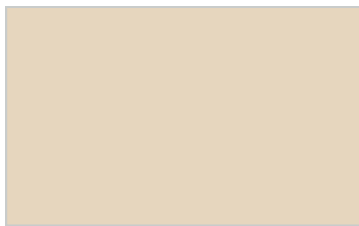

Light Coffee

Colour Code : 0470

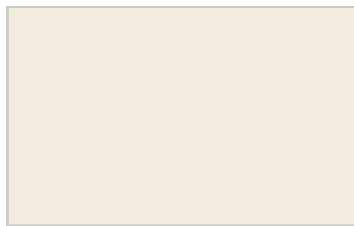

Indian Linen

Sophisticated neutral for furniture-forward living rooms

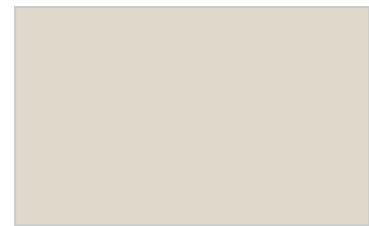

Cold Coffee

Colour Code : L129

Raw Jute

Colour Code : L151

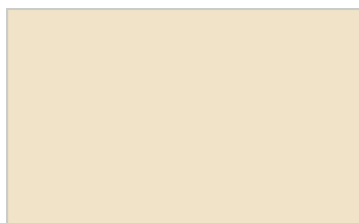

Enlighten-N

Colour Code : 4148

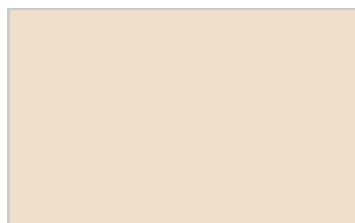

Sand Undertones

Natural, earthy choice for bedrooms and family spaces

Cream

Colour Code : 0307

Old Lace

Colour Code : 0950

Hazel Nut

Colour Code : 8569

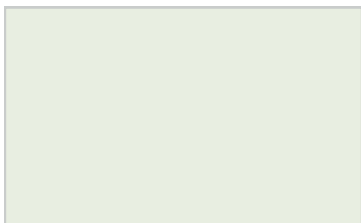

Consultant Tip

Soft neutrals feel balanced and easy to live with. They work equally well with clean whites for a fresh, open look, or with natural wood for warmth and settled feel.

GREENS & MUTED BLUES

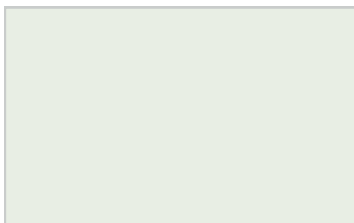

Soft Green Hues

Gentle wall colour for bedrooms, nurseries, and personal wellness spaces

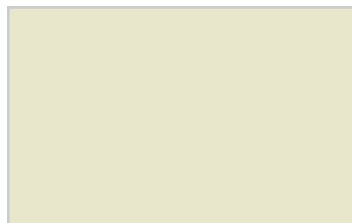

Mint Essence

Colour Code : L117

Seagull Point

Colour Code : L113

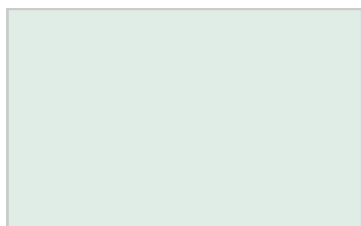

Spring Breeze

Colour Code : 7723

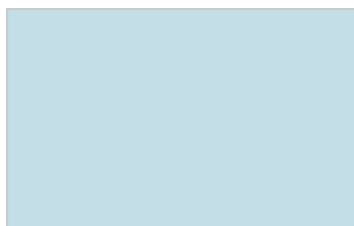

Muted Blue Tones

Sophisticated choice for statement walls, offices, and living areas

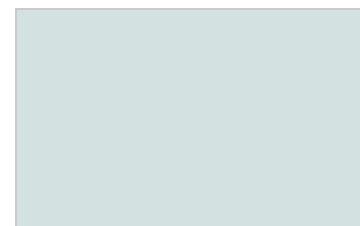

Aqua Hint

Colour Code : L114

Light Sky

Colour Code : 7331

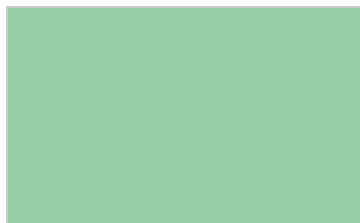

Caribbean Sky

Colour Code : 7419

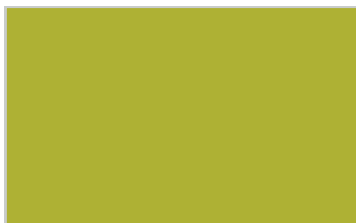

Fresh Botanical Tones

Rich, grounded choice for feature walls, entryways, and balconies

Forest Canopy

Colour Code : 7608

Green Fern - N

Colour Code : 9828

Cilantro House

Colour Code : 7581

Consultant Tip

Soft greens bring an easy, natural flow when paired with warm neutrals. Muted blues work best with clean whites and good daylight, creating spaces that feel calm and open.

WARM EARTHY TONES

Warm Clay

Energising base for living rooms, kitchens, and spaces with light from south

Warm Sands

Colour Code : 8641

Sunderbans

Colour Code : 8519

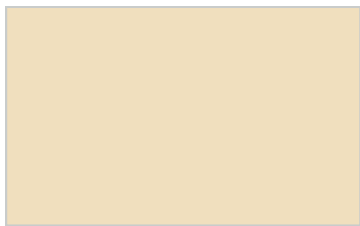

African Desert

Colour Code : 8467

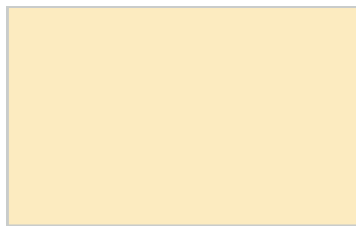

Golden & Honey Tones

Warm, uplifting choice for dining areas and spaces seeking intimate ambiance

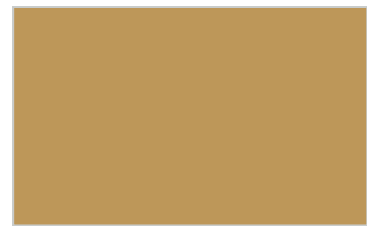

Wheat Sprig

Colour Code : 7891

Sundrenched

Colour Code : 7914

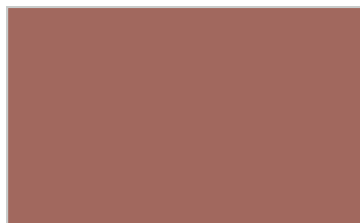

Botanica

Colour Code : 7886

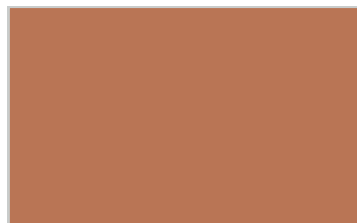

Rustic & Terracotta Notes

Character-rich option for feature walls and spaces celebrating heritage design

Cappadocia Coffee-N

Colour Code : 9955

Amber - N

Colour Code : 5103

Stoneware

Colour Code : 8008

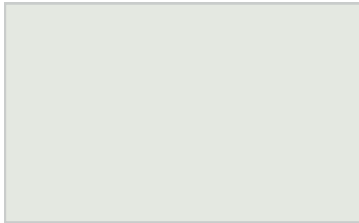

Consultant Tip

Warm earthy shades work well with natural light and suit both traditional and modern homes. Best used as highlight, these add character when balanced with softer colours.

MODERN GREYS

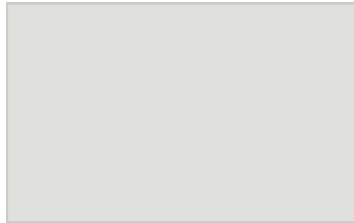

Light & Soft Greys

Contemporary neutral base for minimalist spaces and light-filled modern homes

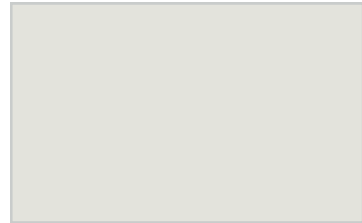

Sheer Ice

Colour Code : L111

Ice Grey

Colour Code : 8259

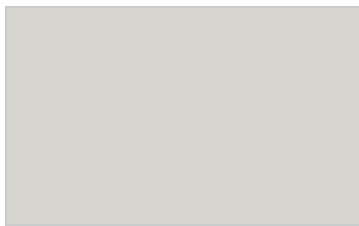

White Gold

Colour Code : 8292

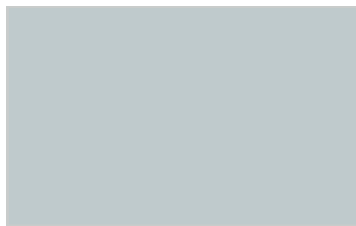

Sophisticated Mid-Tone Greys

Statement colour for accent walls, modern offices, and refined living spaces

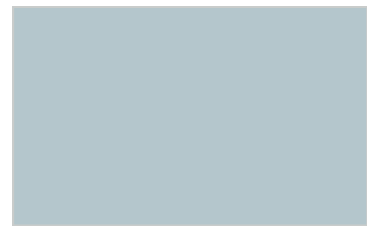

Whispering Smoke

Colour Code : 8308

Sensibility

Colour Code : 8267

Water's Edge

Colour Code : 8274

Deep & Charcoal Greys

Bold, architectural choice for feature walls and sophisticated accent spaces

Sleigh Bells

Colour Code : 8295

Pigeon Grey

Colour Code : 8233

Grey Matter

Colour Code : 8304

Consultant Tip

Modern greys look best with clean whites, warm metal accents, and natural textures. Avoid pairing them with strong yellows or reds to keep the space cohesive.

Choosing colours is easier with the right guidance.

Our colour consultants have helped more than 40,000 homeowners select shades that work with light, layouts, and finishes - not just on screen, but in real spaces. Personalised guidance, online.
